- Make a list of important names, addresses and phone numbers, and be sure to take your phone book with you.
- If switching banks, contact your bank and transfer the contents of your safety deposit box.
- Check your homeowner's policy to see if moving is covered by your insurer. If not, please decide if you will be purchasing full value replacement coverage from Piece by Piece directly (See handout for options).
- Transfer insurance to cover fire, theft and personal property at your new home.
- Set a date for having utilities disconnected. If possible, plan to keep utilities in service through moving day.
 - Have rugs and draperies cleaned. Leave both wrapped when they are returned from the cleaners.
 - Do not clean your upholstered furniture before moving. Moisture could cause mold if furniture must be placed in storage.
 - Avoid waxing or oiling wooden antiques (and fine wood furniture) before moving because some products might soften the wood, making it vulnerable to imprinting from furniture pads.
- Return library books and anything borrowed from friends or neighbors, and collect things you may have loaned to others.
- Secure elevators, loading docks, or parking permits if necessary.
- Organize all bills, stocks, insurance policies and bank account statements.
- Make special arrangements for children and pets on moving day.
